Notes on segment information

Primary segments

The Primary segment of the Company is geography, identified on the basis of the location of the customer which in the opinion of management, is the predominant source of risk and rewards. The business of the Group is organized into four key geographic segments comprising United Kingdom, United States of America and Canada, India and Rest of the World

Capital Employed

Capital employed comprises debtors including unbilled receivables and goodwill on consolidation directly attributable to the reportable segments. As the fixed assets and services are used interchangeably between the segments by the Group's businesses and liabilities contracted have not been identified to any of the reportable segments, the Group believes that it is currently not practicable to provide segment disclosures relating to these assets and liabilities and hence, has been included under unallocated.
